We want to take this opportunity to inform you about the **Match Funding** scheme and how a little bit of your time could raise double the funds for the PTA.

If you work for an organisation that has a match funding policy, **any money you raise could be matched by your employer.**

Companies may match the fundraising total for an event, or for the stall that their employee is working on.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too.

We would be grateful if you could see if your employer has a match funding scheme, or if they are willing to match fund any of our events. If you can help us this way, please let our PTA Secretary ptaswanlandschool@gmail.com know and we can discuss your company's requirements.
