

Dear Teacher

26 JUN 2013

I am so sorry we got to
the moon safely but
AL ready came up.

We ascended but because
rock over a very heavy
moon rock and it crashed
with other rocket!

I have had bad news and
some good news the
good news is I have found
a way to go back and
now for the bad news
the ALyrians have took
over paper with our
plan to go back
me and because of
going to get the plan
back from Michle -
