** The Centre has a supply of wellies, waterproof coats and waterproof trousers but if children have their own it is very useful if they bring them along.*

Pupils may take a book, magazine or cards to play with during free time but **NO ELECTRONIC GAMES, PHONES or TORCHES**.

There is a shop on site which sells some small stationery items. £5 may be brought to spend on the Thursday evening.

Please pack items in as small a bag as possible – luggage space is limited on the coach. The bag must have a clear luggage label.

Swanland staff will take items such as balls etc to play with during free time.

Medication

- Please fill in and return the Medical and Pupil Information Form (attached) to your child's class teacher by 11th March 2022.
- Any medicines should be handed to Mrs Carney on Wednesday 30th March with labels and details of what should be taken and when. If this is not possible, they should be handed to her on the Thursday morning. Children with asthma should carry their own inhalers.
- Those requiring travel sickness pills should take these before travelling and hand the ones for the return journey to Mrs Carney.

Emergency Contact

- In case of an emergency, you can contact an out of school representative by dialling the school's number, 01482 631300, where you will be prompted to follow some instructions.
- Should you need to contact us at the Cranedale Centre during office hours, the office phone number is: 01944 738687. Mobile reception is poor in the area.
