9th November 2022

Dear Parent/Carer (6KG)

6KG – Visit to Melton for Jubilee Woodland Tree Planting on Monday 21st November 2022

Following a pupil in Year 6 winning a poster competition, 6KG have been chosen to take part in some tree planting in an area near to Melton. This will form a part of the Queen's Green Canopy, a part of the Jubilee Celebrations.

The visit is free of charge. Children will leave school after registering on Monday 21st November and travel by coach to Melton. They will walk to the woodland planting site; this is approximately a 20-minute walk over woodland and grassland terrain.

Children should wear the following:

- long trousers eg jogging bottoms or leggings (they should bring their school uniform to change into on their return to school);
- a waterproof jacket;
- they should come in their school shoes but bring a pair of shoes suitable for walking in woodland, such as wellington or walking boots, in a carrier bag (these may get muddy).

Children will return to school after the trip by approximately 12.00 pm in time for lunch.

Should you wish your child to take part, please complete and return the slip overleaf by Monday 14th November 2022.

Thank you for your continued support.

Yours sincerely

Hannah Stephenson

Head Teacher

On behalf of 6KG
