Dear Parent/Carer

Red Nose Day Quiz - 'Photos to make you smile!'

Can you guess who's who from our school staff?

For a special assembly on Red Nose Day (Friday 17th March), we have collected cute and funny photos of some of our school staff when they were much younger! A4 picture sheets will be available to buy for 50p from your class teacher on Monday to Thursday next week with all money going to Comic Relief. If completed sheets are handed back to your child's class teacher <u>by the end of school on Thursday 16th March</u> (to be passed on to Mrs Lamb), your child's name will be entered into a prize draw with lots of cute and funny prizes! (Do not worry if the answers are wrong – you can still win!) The answers and prizes will be given out to the children in the Friday assembly. We hope you have fun guessing and ... keep smiling!

<u>REMINDER: Red Nose Day – <mark>Friday 17th March 2023</mark> – Non–Uniform Day!</u>

To support Red Nose Day, for this year's Non-Uniform Day we are asking that <u>children</u> wear something that makes them or their school smile! This could be their favourite <u>outfit, a funny costume or something else that just makes them happy</u>! We ask that you do not bring cash donations into school but that you <u>make your donation via this link</u>. Thank you. To learn more about how Red Nose Day spend the money raised, please visit Red Nose Day.

What Parents and Carers Need to Know about iPads

The iPad, a familiar companion for children and young people: an auxiliary TV; an aid for schoolwork; and a blessing on long car journeys. That said, there are still some aspects of a tablet that parents and carers should bear in mind to help protect their child from online risks, possible hazards including the risk of age-inappropriate content, physical damage to the device and potential screen addiction. <u>Please see the separate flyer</u>.

Garden Planters

If anyone has any garden planters that we can use to plant lavender, we would love these for our garden area at school, please. Thank you!

<u>REMINDER: Class Group Photos – Monday 13th March 2023</u> (not Year 6)

Please note that each class (not Year 6) will have a group photo taken on Monday 13th March 2023, which will be available for parents to purchase afterwards.

Whole School Approach programme

We have been asked by the East Riding of Yorkshire Council to share the following information and the link to a survey:

At Hull and East Yorkshire Mind, we are currently working with a number of local schools as part of our Whole School Approach programme – a programme which aims to bring the whole school community together for improved mental health and wellbeing.

As part of this work, we are currently working with East Riding of Yorkshire Council to identify gaps of provision within our community and to identify areas for improvement across the East Riding of Yorkshire, specifically in relation to mental health and emotional wellbeing within schools.

We now need schools help to circulate our survey. This will help us to identify what is currently happening and anything that we can potentially support with. By gaining a more inclusive understanding, we can work with schools to offer further support and education to students, parents and carers and school staff.

The more responses we get the better we are able to understand the needs within your school community. The survey is designed for school staff, pupils and parents/carers to complete. A drop-down selection of schools is also available.

- Answers are all anonymous.
- Answers are treated in confidence and they will not affect the support you receive.
- Any personal information that is included on the questionnaire will be stored securely.
- Results of this survey will be shared with East Riding of Yorkshire Council's Public Health Team and partners.

<u>Please click here to complete the survey</u>. Thank you.
