

Swanland Village Out of School Club

We look after our children in the Church Hall next to the pond and our younger children in the Village Hall.

We open at 7.30, warmly welcome children and make sure they are well fed. We offer a buffet style breakfast of toast, crumpets, bagels, fruit, a selection of cereals, and to drink water, milk or hot chocolate.

After school we have an early tea. The children help decide our menu. Typically lasagne, pizza wraps and salad, jacket potatoes with tuna or cheese fillings, vegetable curry and naan bread, toasted sandwiches, chicken wraps with salad and pasta bake with garlic bread.

Children can choose free play with many resources, crafting, construction, planned activities and lots of games.

If we can help with your childcare please get in touch
