### MAKING LINKS TO PREVIOUS LEARNING GOLDEN VOCABULARY

<b>Equator</b>	An invisible line that runs around the centre of the earth. It can be very hot near to the <b>equator</b> .
<b>route</b>	The way of travelling to one place or another
<b>map</b>	Drawing of all or part of Earth's surface. We can use a map to follow a route.
<b>local</b>	Amy Johnson was a <b>local</b> hero.

### Ordnance Survey Map

The Ordnance Survey (OS) is an agency which makes maps of Britain. They have lots of detail on them and they can help us to map a journey using our cars or when we go for a walk. We need to be able to understand the key and the symbols.

Can you find our school on the OS map below?

### Satellite Images

Satellites are space craft that orbit the Earth. They are able to monitor and photograph our planet. They send these images back to Earth and we can use them to identify landmarks.
