ADULT TAILORED LEARNING

At Hull Training and Adult Education, we offer a range of tailored learning opportunities with the primary purpose of supporting our learners' journeys. Whether it's into employment, further learning, improving health and wellbeing, equipping parents and carers to support children's learning, while developing stronger and more integrated communities, we are here to help.

Whether you are taking your first steps into further learning, want to learn a new skill, improve your health and wellbeing and meet new people, then take a look at the range of opportunities we have on offer.

We have standalone workshops / taster sessions as well as longer courses which cater for varied levels of skills. You must be aged 19 or over to be eligible and our tailored learning pathway overleaf shows the range of starting points and progression.

TAILORED LEARNING PATHWAYS

WORKSHOPS/TASTER SESSIONS

These are standalone sessions, and anyone aged 19+ is welcome to join and learn skills in the subject, as well as get a taste of what our longer courses have to offer.

BEGINNERS

Beginners 1	For those with no experience in the subject, or very basic knowledge
Beginners 2	For those with basic knowledge who can understand and complete simple tasks
Beginners 3	For those with increased basic knowledge who are happy working more independently

INTERMEDIATE

Intermediate 1	For those with solid basic knowledge who feel confident in completing multi-step tasks and activities. Taking part in discussions and working independently
Intermediate 2	For those with a sound knowledge in the subject who can complete tasks with only limited support required. You are able to use your skills in a variety of situations.
Intermediate 3	For learners with a sound knowledge in the subject who can use your skills for personal development and career progression

PROGRESSION

QUALIFICATIONS

Learners who wish to take a qualification will ideally have taken our beginners and intermediate courses or who have some prior knowledge and experience in the subject. You will have an initial assessment at the start of the course so we can ensure you are studying at the right level.

ENTRY LEVEL

LEVEL ONE

LEVEL TWO

POTTERY

Learn practical clay/ceramic skills and techniques which will be embedded through a variety of pottery projects suitable for your level of skill and ability, by creating a number of simple clay pieces.

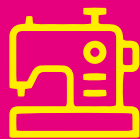

This includes clay handling, hand building techniques, throwing on the pottery wheel and exploring the varied methods of alternative firing, slip work and glazing techniques.

LOCAL HISTORY

Are you interested in the history of Hull, but don't know where to start?

Ever wondered who lived in your house in the nineteenth century?

Or what they did for a living?

Or why your roads look like it does?

We look at different kinds of historical sources (maps, directories, census returns, newspapers) and see how to use them so you can find out answers to these questions.
