

## East Riding Adult Learning and Employability

## Family Fun: Bringing your stories to life

Are you looking for fun and engaging ways to explore the magical world of storytelling with your child?

In this family-friendly session, you and your child will:

- ❖ Develop exciting characters and captivating storylines
- ❖ Learn how to use Scratch and create animations to bring your stories to life
- ❖ Create adorable felt finger puppets to retell the stories that you create

Join us for this free session where you'll embark on a whimsical storytelling adventure together!

This course is suitable for parents/carers/guardians and their children between the ages of 5 and 11. All resources will be provided.
