

# **FREE** Interactive Workshops for Dyslexic and Neurodiverse Children

**Saturday 18th January – Eastfield Primary School**  
**Inspiring confidence, resilience, and academic skills.**

Dyslexia Sparks is proud to fund four *1 hour workshops* for primary and secondary school students. It's a fantastic opportunity to overcome challenges, boost self-confidence, and gain essential skills in an encouraging environment.

# **FREE** Interactive Workshops

## **Mind Mapping – 9:30-10:30am**

Suitable for school years 5-9

The key to unlocking creativity, effective planning and higher-order thinking.

## **Resilience Building – 10:45-11:45am**

Suitable for school years 3-7

Become more resilient to outside noise, and look forward in a positive and inspired way.

## **Exam Busters – 12:15-1:15pm**

Suitable for school year 10+

Exam Busters teaches skills to be used all year round – not just during stressful exam periods.

## **Super Speed Study Skills – 1:30-2:30pm**

Suitable for school year 10+

We teach a range of techniques to help them more effectively absorb and retain information.

You don't need to be a Sparks tuition student or have had a formal diagnosis to attend, all neurodiverse students welcome.

**Book onto one or more of the free sessions.**
