### Football Achievement

Well done to Austin in Year 5 on his fantastic achievement with Hull City in winning the EFL Youth Development Cup!

His team took part in a futsal tournament and now have the chance to play in the final. Well done Austin and best of luck for the final!

### NHS Research – INTERACT2

The Research and Development department at The Humber Teaching NHS Foundation Trust are conducting a very important survey related to loneliness and isolation in the general population of Kingston upon Hull, it is called INTERACT2. Chief Investigators for the study are hoping to apply for governmental funding to affect policy change if their study is successful. The study aims to map social isolation and loneliness around Hull. The survey is aimed at anyone living in a HU postcode, it only takes 5 minutes to complete and the findings will hopefully influence policy makers.

*Please see the separate flyer.*
