Dear Parent/Carer (Year 5)

Year 5 Practical Bikeability Training 2026 – Dates and Groups

The Year 5 Practical Bikeability Training, delivered by East Riding of Yorkshire Council, will begin after the Half Term Holidays, running from Monday 23rd February to Friday 6th March.

This course is only for children for whom we have received both payment and parental consent.

The training consists of two full days of practical instruction (8 hours in total). The first two hours will take place on the school playground and will include a basic cycle check. The remaining six hours will be conducted on the road, in a live traffic environment. Children will be taught in small groups by qualified instructors.

Please see overleaf for confirmation of the dates and group allocations for the cycle training.

Thank you for your continued support.

Yours sincerely
